

Hygiene on the go...

with Initial's new sanitiser stands

**Rentokil
Initial**

Protecting People. Enhancing Lives.

We come into direct contact with many germs as we touch people, surfaces and objects throughout the day. Protect yourself, your employees and visitors from a potential accumulation of germs by maintaining a high level of hand hygiene anywhere.

Initial's new sanitiser dispenser stands are the ideal way to protect hand hygiene in busy everyday environments.

Key Features

- ✓ Fits all manual commercial dispensers
- ✓ Sanitiser dispensed via foot pedal mechanism
- ✓ Spring loaded for quick repetitive use
- ✓ No batteries required
- ✓ Metal unit with two-pack paint coating
